Independent Living Trials

A battle worth fighting

 The Royal Armouries, Leeds

 10th March 2026

This focused event hosted by occupational therapy specialists **Rehabilitate Therapy** explores **Independent Living Trials (ILTs)** – offering essential insight for professionals involved in rehabilitation support planning for individuals on a pathway to greater independence.

This multi-disciplinary day will explore the role of ILTs in supporting independence, rehabilitation, and outcomes for clients, with insights from clinical teams, legal representatives, case managers and more.
